Régie de l'énergie

APPLICATION FOR ENBRIDGE GAZ QUÉBEC'S DECARBONIZATION STRATEGY (DOSSIER R-4292-2025)

The Régie de l'énergie (the **Régie**) will hold a public hearing to consider Enbridge Gaz Québec's (EGQ) application for its decarbonization strategy (the **Application**).

EGQ is asking the Régie to approve its new marketing strategy for gas from renewable sources (**GSR**), which entails a cost recovery approach across its entire customer base based on the various paths developed by EGQ. EGQ also requested approval of the GSR percentages applicable to the different classes of customers. Finally, EGQ is requesting that the Régie approve certain amendments to the Conditions of Service and Tariffs which are set to come into effect on January 1, 2026.

REQUESTS FOR INTERVENTION AND SUBJECTS OF INTERVENTION

Any person interested in participating in the examination of the Application must send the Régie a request for intervention accompanied by the form *Demande d'intervention – Liste des sujets* and a participation budget **no later than April 7, 2025 at 12 p.m.** This request must be made in accordance with the *Rules respecting the procedure of the Régie de l'énergie* (the **Procedure**), the instructions of the Régie contained in its Procedural Decision D-2025-028, and the Guide de paiement des frais 2020 (the **Guide**).

The EGQ application, related documents, the *Act respecting the Régie de l'énergie and the Procedure and Decision D-2025-028* are available on the Régie's website at <https://www.regie-energie.qc.ca>.

For any information, it is possible to contact the Régie by phone or email.
